The Bible opens with four powerful words – "In the beginning God"

Before ANYTHING was created, God lacked NOTHING (God needed nothing, God was in perfect union with Himself)

The Trinity enjoyed flawless fellowship, in perfect harmony, united in unbreakable bonds of love

Romans 15:5-6

Together, we get to link arms and face life with the goal of bringing God as much glory as possible

John 17:1-26

Jesus prays for his followers to be ONE-just as the Trinity is ONE

That those followers might be perfected in unity, so that the entire world may know that Jesus was sent by God

Unity ISN'T optional!

God wants those who follow Him to be unified to Himself (that's why Jesus came to this earth in the first place)

John 17:1-5

Jesus was about to willingly lay down His life as a once-for-all sacrifice

God's ALWAYS been about uniting his children to Himself

John 17:6-12

Knowing He would soon be leaving, Jesus prays for God to bind those who follow Him to their Heavenly Father

NOT only does our relationship with Jesus unite us to God - it unites us to each other, through the Holy Spirit John 17:13-21

God the Father sent Jesus into the world with the purpose to rescue and redeem mankind

Now believers have been sent into the world with the purpose to point people to a relationship with Jesus (which will rescue and redeem)

This mission is to be done unified, together in Christ in ONE body, on ONE mission, with ONE purpose

And as believers unite and come together, the world will take notice!

The Church would be so winsome and attractive because it would look so different from the sin-plagued world

This type of unity (which we are called to demonstrate) has incredibly powerful implications John 17:22-26

In unity, believers MUST love our Lord and one another and doing this will glorify our Heavenly Father

If God's body (the Church) is fractured and squabbling, how attractive is that to the outside, ever-watching world?

If God's body (the Church) is divided, NOT in step and NOT in sync with each other, why would anyone want to be a part of that?

God's Body (the Church), when it's functioning like it should be...

NO one has ANY need NO ministry or outreach is EVER understaffed NO issue we face CAN'T. be resolved

This bond that you and I share, is to be equal to the bond of the Trinity

A bond, united in flawless fellowship A bond, in perfect harmony, united in unbreakable bonds of love
