

Romans 12:1-2

Voluntarily choosing to daily submit and be nailed to the cross

We allow our hands to be nailed, so we STOP participating in sin

We allow our feet to be nailed, so we STOP wandering to places of sin

We allow our head to be crowned so that Christ is supreme

We allow our hearts to be penetrated, so that it's softened to Christ's lead

Matthew 6:19-21

Matthew 6:22-23

"Clear" or "healthy" = singleness of purpose; wholly dedicated to God (again addressing the issue of undivided commitment)

CLEAR EYES

Only 2 ways to look at things:

1 – With clear vision – with single focus; eyes locked on Jesus 2 – With blurred vision – with double vision: divided eyes

Sin blinds us from clearly seeing what's obvious Our inward desire to sin clouds our judgement, discernment and ability to see

Light cannot mix with darkness

Matthew 6:24

Light represents good and darkness represents evil

What we intently gaze upon, directly impacts the treasure of our hearts (what we feed, grows stronger)

Psalm 101:1-8

This Psalm, attributed to King David, makes a commitment, makes a covenant, makes a promise to God about his eyes

If we guard our eyes; if we guard what we ingest; then we will protect our hearts also

Matthew 6:23

"Bad" = diseased; impaired in some way; it's focused on evil

Undivided commitment to God; nothing should hinder our fellowship with God

"The Light that is in you" = this is the eye of the soul

When we are walking closely to our Heavenly Father, then our path is illuminated and we're going to see clearly

If our hearts are blackened and residing in darkness, don't think for a second that you're going to see clearly

We need to evaluate ourse ves; examine our vision (it's good to have a regular eye check-up)

Matthew 5:14-16

As followers of Jesus Christ, we reflect Him to the world around us (When others see our lives, do they see Jesus?)

Am I willing to surrender to God and follow His lead?
