II Timothy 3:16-17

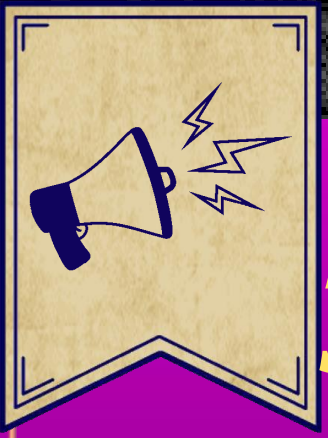

This passage give 4 reasons
why all Scripture is profitable:

1. “Teaching” – God’s Word instructs people
2. “Reproof or Rebuke” – God’s Word exposes our sin

3. “Correction” – there’s only one solution to our problem of sin

4. “Training in Righteousness” – this is the positive and practical application component

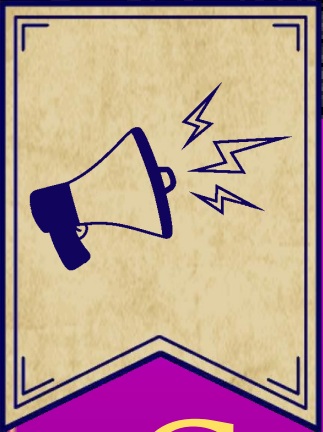

Messengers: Minor Prophets

Messengers: How Did We Get Here?

Beginning in about 4,000 BC
God created in 6 days – culminating
in His creation of man and woman,
who had **NO** sin

Genesis 6:5-8

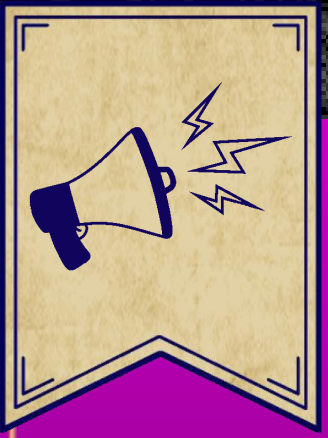

Wickedness abounded –
sin was everywhere

Genesis 11:1-4

Roughly 2,200 BC and Abram
is chosen by God and told to go
(through Abraham, God will bless)

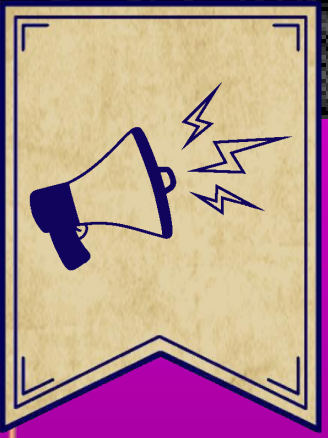

Genesis 12:4-5

Genesis 12:6-7

Genesis 12:8-9

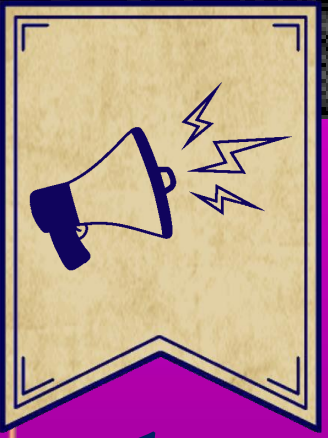

FYI – the Negev was still part of
the land of Canaan

Genesis 12:10

Abram took it upon himself to
leave the land because of the famine

In about 1,500 BC God uses
Moses to lead those people
out of slavery

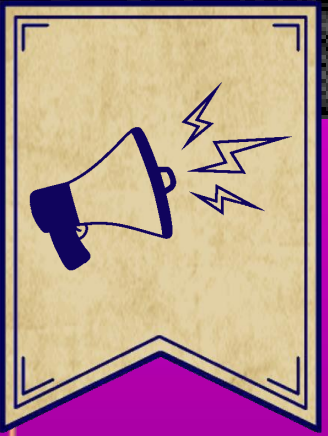

Eventually, Israel desires a king
and in about 1,050 BC
they select Saul

God gives them a man after His
own heart, David

In 970 BC the wisest man to ever live, **Solomon**, takes the throne

The 10 Northern Tribes (**Israel**) have a total of 18 kings, all were bad and in 722 BC, Israel is taken captive by the **Assyrians**

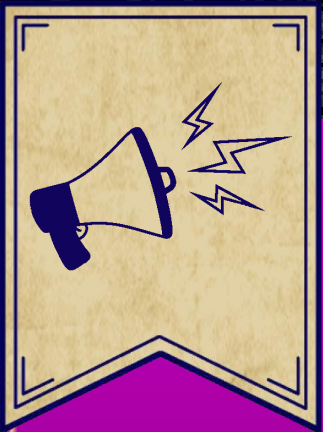

The 2 Southern Tribes (Judah)
have a total of 20 kings
(12 bad and 8 good).

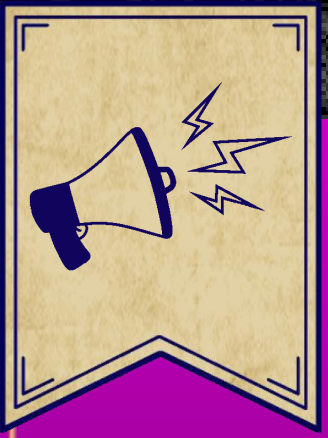

Unfortunately, in 3 waves the
Babylonians come in finishing
in 586 BC.

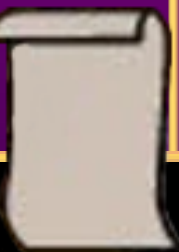

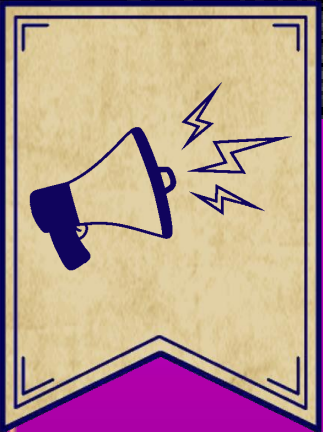

Have you ever wondered why
was Judah sent into captivity
for 70 years?

Year of Jubilee = Israel was to
work the field for 6 years
and then take a break
and **NOT** work the field
for 1 full year

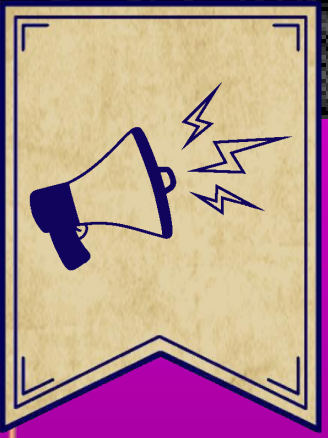

However, when year 7 rolled around, Israel **NEVER** stopped working the field (they ignored God)

For 70 years, while Judah is in captivity, the land finally rested

God CANNOT and WILL NOT
be mocked

II Chronicles 7:12-16

So, how did we get here?

Blinded eyes, stubborn hearts, and
substitute passions
