

Messengers: Habakkuk

For years, Habakkuk has
prayed to God to correct
the corruption and wickedness
that's prevalent in all of Judah

Habakkuk had experienced
growing up in a God oriented nation,
however, when King Josiah died,
Judah reverted back to the horrible
and heinous sins from the time
before Josiah

Habakkuk, daily living in
the middle of this plummet,
cries out to God to
remedy this problem

Habakkuk 1:2-4

Habakkuk: How Long, Oh Lord?

Habakkuk 1:1

“Oracle” = literally describes a heavy load or heavy burden that has been placed on an animal to carry

Habakkuk 1:2

Psalm 13:1-4

Psalm 22:1-2

Psalm 74:1-11

These are all gut-wrenching prayers-
they all struggled to understand
what clearly seemed to be silence
on God's part

Habakkuk 1:2

Habakkuk wanted God to
cleanse and purify the wickedness
around him (what Habakkuk was
praying for was revival)

The longer time elapsed
the more burdened Habakkuk became

Habakkuk saw sin,
was burdened by sin and
committed to pray to God
about that sin

Habakkuk 1:2-4

All around Habakkuk is violence
(there's a constant bombarding of
wicked chaos everywhere he looks)

“Ignored” = to be paralyzed; to become numb; to be absolutely powerless
