

Messengers: Habakkuk

Have you ever wanted to know what
your immediate future held?

In light of the character of God,
Habakkuk wrestles with what appears
to be a free pass to the Babylonians

Habakkuk 1:4-2:1

“Why do you (God)
appear to be silent?”

Habakkuk: You're Gonna Do What?

Habakkuk 1:12-13

Habakkuk 1:14-17

Babylon has been terrorizing
the entire world – Judah is utterly
helpless against Babylon and
God's silence seems to bring
His Sovereignty into question

Amos 4:1-2

The pride of the Babylonians is being highlighted (what is bringing the Babylonians cause for rejoicing is their own ability and strength)

Habakkuk asks the hard questions,
but from a place of knowing who God
is and clinging to that truth

Habakkuk 2:1

Until God answers, Habakkuk
commits to waiting and watching

Habakkuk stands and stations
himself, he is anchored at his location-
NOTHING will move him;
he's looking to God

Matthew 7:7-8

“On the rampart” = this would have been the tallest lookout tower, where a watchman would have been stationed

Ezekiel 3:17
