

SIGNS & WONDERS

This is a miracle that clearly points to
Jesus' power in **providing** for people
(we have a Savior, who knows and
addresses our **NEEDS**)

Each of these aspects highlight
the **sovereignty** and **supremacy** of our
all-sufficient Savior

FEEDING THE 5,000

John 6:1

“After these things” = NOT immediately
after the events of Chapter 5,
it’s believed that between 6 to 12 months
have passed

John 6:2-3

John 6:4-6

The **Passover** highlighted particularly
God's **provision** for His people

Jesus first performs an
undeniable sign miracle, reflecting a
supernatural provision, which ONLY God
can do and then Jesus connects the dots

John 6:7-9

Philip is singled out because he was a
native of the nearby town of Bethsaida
and he would have been expected to
know where to **buy bread**

John 1:43-46

200 denarii took roughly 8 months
of work to earn- even if they could get
this large sum, the amount of food
would never be sufficient in feeding
this large crowd

ONLY AFTER the disciples were forced
to confess their shortcomings and
inadequacy at addressing this **NEED** does
Jesus step in and take **immediate action**

John 6:10-11

The typical practice in a Jewish family
home was to **give thanks** both before
and after partaking in the meal

John 6:12-14

This food made these people completely
FULL and satisfied

John 6:15

NO earthly king or political leader was
able to truly deliver **ANYONE** —
without Jesus' **finished work** on the cross
