

SIGNS & WONDERS

These life-long fisherman board a boat —
this time without Jesus physically
being present

For 3 or 4 miles they struggled
(scholars believe the disciples were
rowing somewhere around 6 to 8 hours)

When we **start out** being afraid, it
hopefully **leads us** to the ultimate reason
why **NONE** of us **NEED** to remain afraid
(Psalm 23:4)

The emphasis is on the fact that
in the **middle** of the storm
(when we find ourselves afraid)
our Savior is **right there!**

WALKING ON WATER

John 6:15

Jesus actually made the disciples leave
the **large crowd** (Matthew 14:22-23)

John 6:16-18

The **Sea of Galilee** was regularly navigated by these disciples (several of which were seasoned **fishermen**)

“Stirred” = to wake from slumber, to
arouse from sleep

John 6:19

Matthew 14:24-27

Apparently, the disciples have been
rowing for between 6 to 9 hours
(the **4th watch** is somewhere around **3 am**)

John 6:20-21

“It is I” is literally translated
“the **I AM** is here”

As **soon** as Jesus gets into the boat with the disciples, they **ALL** are **immediately** safe on dry land (instant 3-4 mile travel)

John 6:22-25

Jesus begins to **teach truths** directly
connected back to the **sign miracle**
of the barley loaves and fish
(Jesus is the Bread of Life)
