

# SIGNS & WONDERS

# Isaiah 35:5-6a

Never before was anyone blind  
completely and totally **healed**  
(NO one else EVER did this —  
**ONLY JESUS**)

Being blind, deaf, unable to speak, and  
crippled were life sentences and had the  
stigma of **God's judgment** attached

# HEALING THE MAN BORN BLIND

Contracting a **physical illness**, like  
becoming crippled or blind, basically  
forced that individual **to beg** for a living

John 9:1-5

**“Displayed”** literally means to bring to light (this sign miracle brought to light the **Light of the world** being Jesus!)

John 9:6-12

Saliva was a Jewish **home remedy**, but  
was NOT allowed to be used on the  
Sabbath (as this was a **day of rest**)

Without delay or hesitation  
this blind man **obeys**

John 9:13-17

The Pharisees **conclusion** =  
Jesus **CAN'T** be from God because He  
breaks the **Sabbath rules** (even though  
He is doing sign miracles)

**John 9:18-23**

**John 9:24-34**

The man, who was unable to physically  
see **ANYTHING**, saw the truth of Jesus  
**MORE** clearly than the learned scholars

The Pharisees **dismiss** him, **discredit**  
him, and **deny** him access to God  
(that's what being put out really means)

John 9:35-38

John 9:39-41
