

I AM

Isaiah 55:8-9

Lazarus' sickness was **NOT**
going to **end** in death

John 11:4

What God permitted seemed to
profoundly perplex God's people
BUT it was for a purpose pointing
to the **power** of Christ

John 11:25–26

**“I Am” = Jesus shares oneness
with the self-existing One
(Jesus is the perfect embodiment of
the voice from the burning bush)**

Through Jesus' death, burial and
resurrection **ALL believers** are
united with Christ in resurrection
and **eternal life** with Him

I AM

THE RESURRECTION & THE LIFE

John 11:1-16

Jesus FULLY understood
the **grief** that was to come BUT
He also was intimately aware
of the **glory** to come

John 11:17-37

“Deeply moved” = to snort with
anger; to groan indignantly

Jesus' glorious resurrection
and the life available through Him
is why Jesus endured ALL the
pain and suffering of sin

John 11:25-26

John 11:38-44

Standing before the stinking stench
of this SAD situation was YHWH
(I Am Who I Am) and He is the
resurrection and the life

John 11:45-46

**MANY believed in Jesus
BUT SADLY some DIDN'T –
they instead went to the Pharisees
to tatttle on Jesus**
