

Messengers: Zechariah

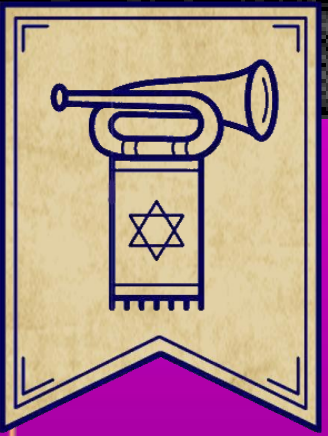

Isaiah 53:1-12

Jesus was pierced, crushed, chastened,
scourged – all so that the wrath of God
on sin could be fully satisfied

Zechariah: The Pierced Savior

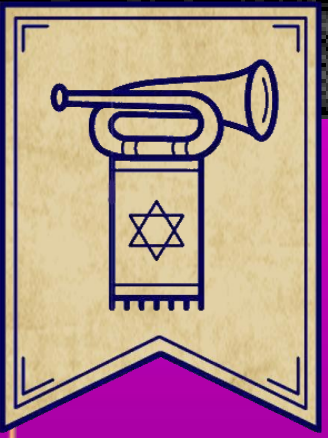

Zechariah 12:1

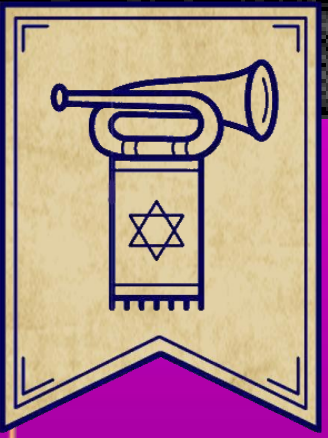

“Burden”= literally means to lift up;
to bear (this is a weighty message
from God that Zechariah must
carry and deliver)

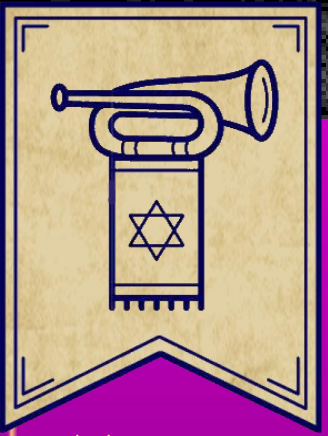

“Stretched out the heavens” =
God flung into space all the stars,
galaxies, and planets
(He’s the architect of the universe)

“Lays the foundation of the earth” =
God established the ground

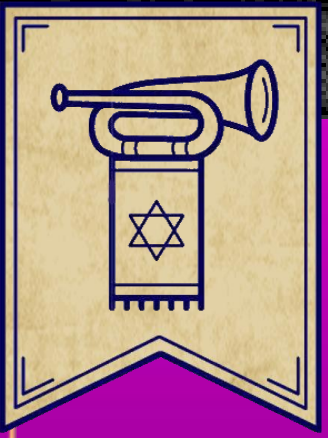

“Forms the spirit of man within him” =
God shapes and fashions like
a potter molding clay

Colossians 1:16-17

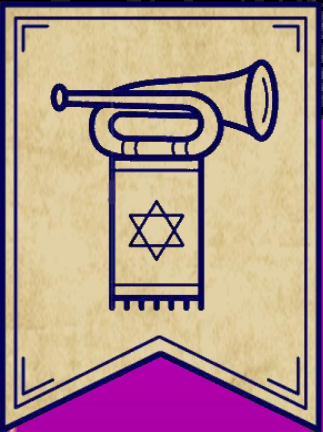

As our Creator, God has
absolute right to rule over us;
to inspect us; and to judge us
based upon His holy standard

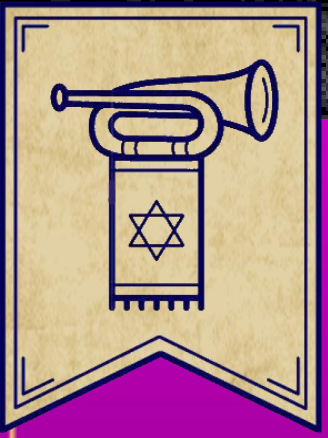

Zechariah 12:2-9

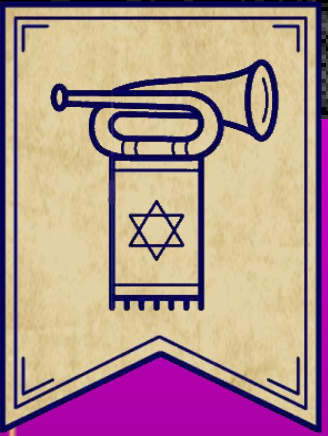

“Cup” = often symbolizes the
wrath of God

“Heavy stone” = an immovable stone,
which man tries to futilely move
only to harm themselves by doing so

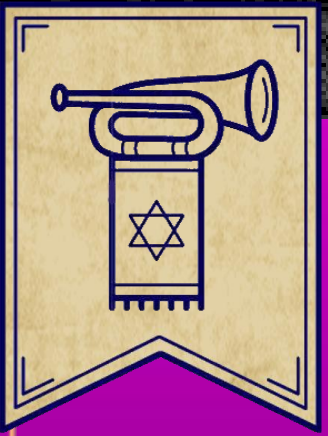

The Lord is going to defend
the inhabitants of Jerusalem and
every enemy is going to be
vanquished by God

Zechariah 12:10-14

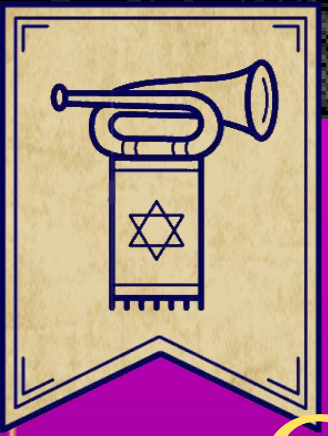

The people of Jerusalem
recognize their sins, they see what
the Lord has done on their behalf,
and they're broken

Zechariah 13:1-6

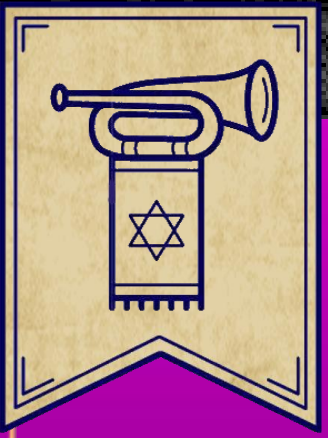

God promises to erase the names
of the idols of the land

Zechariah 13:7-9

God speaks directly to the
sword of His own judgment
