I Timothy 2:9

ALL of us run the risk of  
**comparing** ourselves to  
one another

II Corinthians 10:12

What **drives** us & what  
should **motivate** us is being  
**Christlike** in EVERY area of  
our lives

1 Timothy 2:9

1. “Adorn” = to decorate;  
to garnish; to put on  
**ornaments**

2. “Proper Clothing” =  
**modest** apparel:

orderly att.

3. “Modestly” = **reverence**;  
acting in regard for others  
well-being

“How will this **impact**  
**someone** else?”

# Philippians 2:3-11

4. “Discreetly” = soberness;

**soundness** of mind;

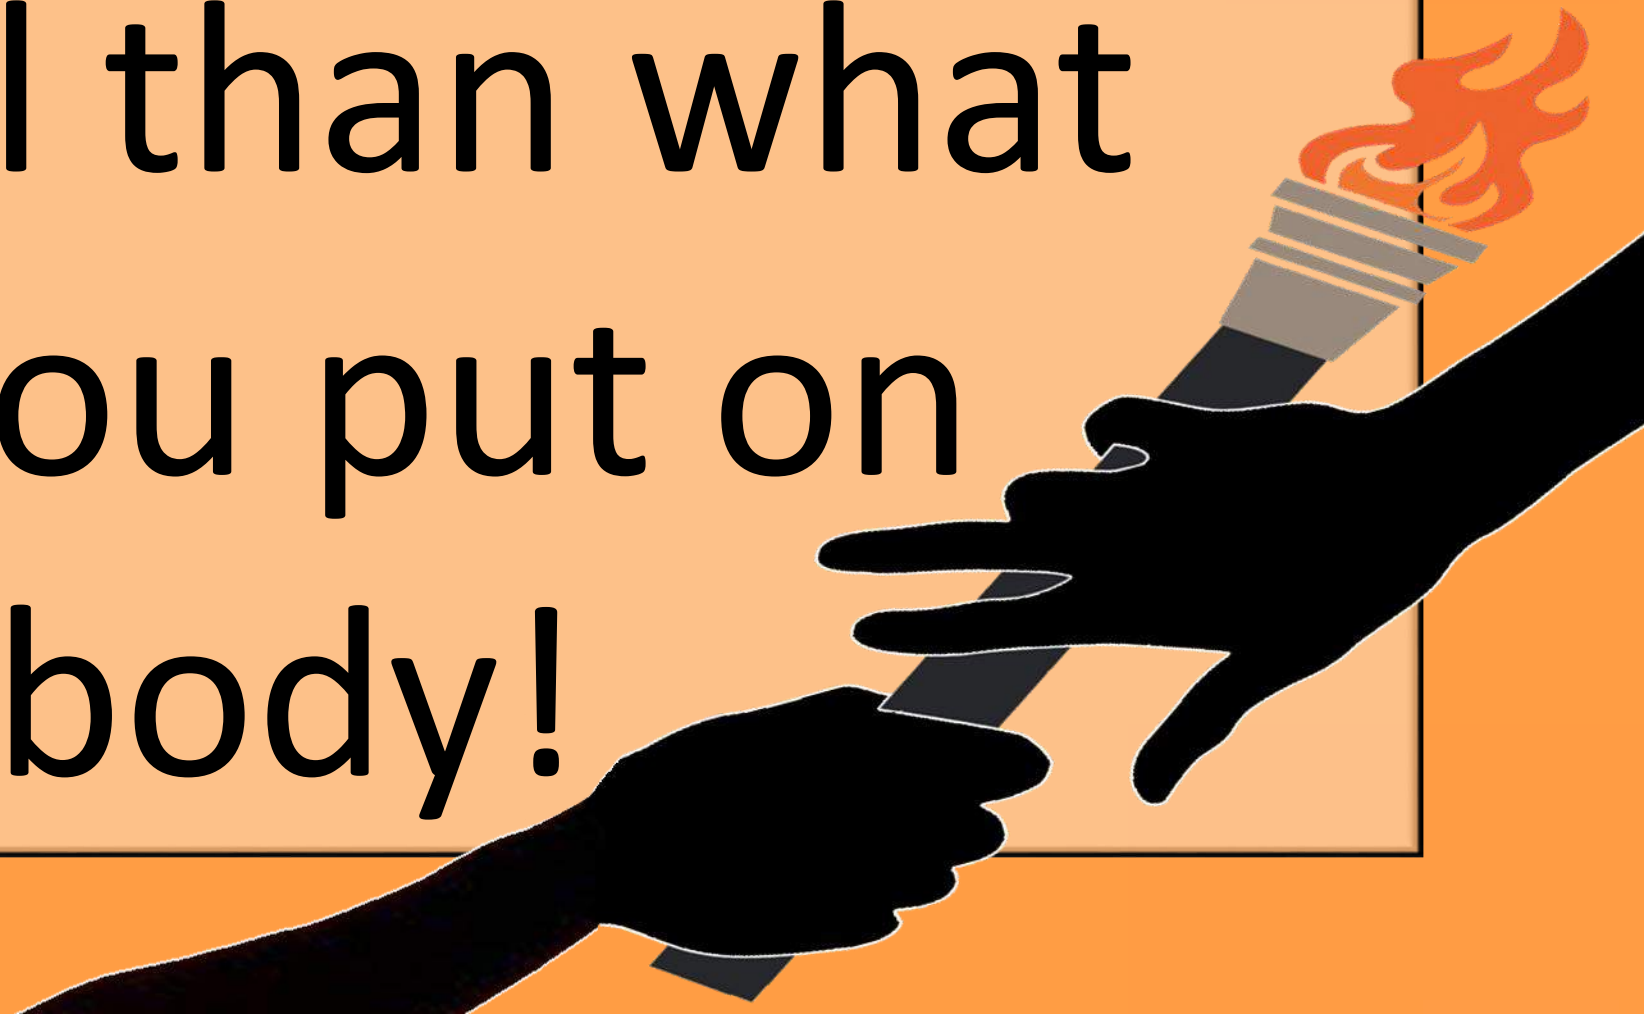

being **self-controlled**

I Timothy 2:9-10

It's MORE **valuable** that  
what you are **involved** in  
is beautiful than what  
**outwardly** you put on  
your body!

The emphasis is for a woman to become beautiful on the **inside** & what's happening on the **inside** should be **reflected** on the **outside**

# I Timothy 2:11-15

“Submissiveness” = willingly  
**following** the lead of another  
Submissiveness is NOT being  
**subservient** (it’s NOT  
being a **2<sup>nd</sup> class** citizen)

BOTH Adam & Eve's sin in the  
Garden was an act of  
**rebellion**

Adam rebelled against God  
but Adam also **shirked**

**responsibility** to lead

From the beginning of  
Creation, God put a **leadership  
structure** in place

First place = God

(focal point of our lives

Head of the Church)

Next = (After God ...  
designed to demonstrate  
the same type of selfless,  
sacrificial, unconditional love  
as Christ)

**Husband**

Then = (NOT as a lesser  
creation, but as someone  
who should be treated with  
gentleness, tenderness, &  
affection) = the **Wife**
