Sermon Title: **“HEALING THE MAN BORN BLIND”**

John 9:1-41

- Never before was anyone blind completely and totally \_\_\_\_\_ healed (NO One else EVER did this – \_\_\_\_\_)
- Being blind, deaf, unable to speak, and crippled were life sentences and had the stigma of \_\_\_\_\_ attached
- Contracting a \_\_\_\_\_, like becoming crippled or blind, basically forced that individual \_\_\_\_\_ for a living
- “\_\_\_\_\_” literally means to bring to light (this sign miracle brought to light the \_\_\_\_\_ being Jesus!)
- Saliva was a Jewish \_\_\_\_\_, but was NOT allowed to be used on the Sabbath (as this was a \_\_\_\_\_)
- Without delay or hesitation this blind man \_\_\_\_\_
- The Pharisees \_\_\_\_\_ = Jesus CAN’T be from God because He breaks the \_\_\_\_\_ (even though He is doing sign miracles)
- The man, who was unable to physically \_\_\_\_\_, saw the truth of Jesus \_\_\_\_\_ than the learned scholars
- The Pharisees \_\_\_\_\_ him, \_\_\_\_\_ him, and \_\_\_\_\_ him access to God (that’s what being put out really means)
