

Sermon Title: **“GOD LOATHES ARROGANCE”**

Amos 6:1-14

- God’s Word specifically addresses a people of old, BUT the \_\_\_\_\_ and the \_\_\_\_\_ is NEEDED in our lives as well
- God uses the \_\_\_\_\_ of others to draw our attention to our own desperately wicked and \_\_\_\_\_ states
- The \_\_\_\_\_ for ANY of us is to see our NEED and to run to Jesus – \_\_\_\_\_
- \_\_\_\_\_ (a symbol of Israel as a whole), sat smugly on top of a mountain seemingly \_\_\_\_\_ from surrounding nations
  - “Woe” when it was pronounced over the \_\_\_\_\_ was a prediction of \_\_\_\_\_ (calamity and carnage were coming)
- The \_\_\_\_\_ of Ahab and Jezebel was historically known for its interior design, which covered EVERYTHING in \_\_\_\_\_
- Assyrian brutality reveals that normally \_\_\_\_\_ were blinded and their tongues were often cut out
- Israel’s \_\_\_\_\_ (apart from God’s help) would truly be put to the test
- Following a \_\_\_\_\_ – the area attacked would also be struck by a \_\_\_\_\_
- It would be completely unimaginable to either see \_\_\_\_\_ running on rocks or to see \_\_\_\_\_ plowing a cliffside
  - The SAME is true for Israel (who is relying on their \_\_\_\_\_), they are going to FAIL apart from Christ
- God loathes \_\_\_\_\_ because He knows the \_\_\_\_\_ it brings
