Sermon Title: **“OUT OF BETHLEHEM”**

Micah 5:2

- God selected a \_\_\_\_\_ location to be the birthplace of the long-awaited Messiah
- The Bread of Life was born in the \_\_\_\_\_ to forever satisfy the internal brokenness of every believer
- Micah was a man from a small rural village — he was a \_\_\_\_\_ with a message from God
- “Too little” = \_\_\_\_\_ (This would have been a location that was considered the least valuable)
- To the overlooked city of \_\_\_\_\_ and the overlooked shepherd boy (\_\_\_\_\_) comes the overlooked Savior of the world
- What we see as \_\_\_\_\_, God sees as a tremendous \_\_\_\_\_ able to be used for His glory
- “\_\_\_\_\_” = House of Bread
- “\_\_\_\_\_” = Abundance or fruitful
- God was using this unlikely \_\_\_\_\_ to this unlikely \_\_\_\_\_ to be the grandmother to an unlikely \_\_\_\_\_ (David) and through King David the Messiah comes to earth
- Bethlehem reminds us that God is not looking for the \_\_\_\_\_, \_\_\_\_\_, or self-sufficient- He’s looking for the \_\_\_\_\_
