Sermon Title: **“HIS LOVINGKINDNESS IS EVERLASTING (PART II)”**

Psalm 136:10-26

- Verse 10 refers back to Israel being under the slavery of the Egyptians
 - The final plague – everyone who DIDN'T put the blood of the Lamb over their doorpost had their firstborn visited by the death angel
 - This looked forward to the Sacrificial Lamb (Jesus), Whose blood covers us & our looming eternal separation is passed over because of faith in Jesus
- Perhaps the grandest, most miraculous part of God's deliverance was when He brought the Children of Israel through the Red Sea
 - When ALL hope seemed gone & destruction seemed sure, it was then that God stepped in & rescued His people
- God delivered Israel from the bondage of slavery (Egypt) & God provided for Israel for 40 years in the wilderness
 - God DIDN'T lead them to a place where He WASN'T going to take care of their needs
- God loves us; we DON'T have to worry about our needs. We just need to seek to glorify & serve God & God will provide
- It's God, who raises kings & it's God, who terminates kings
 - NO matter how powerful (in physical might or prestige) an earthly power is, it's NOT too big or strong for our God
 - God's lovingkindness is forever on display through His constant protection of His own
- God remembers that we were once dead in our trespasses; we were helpless & hopeless & headed for Hell!
 - God remembers that, but His lovingkindness is everlasting!
 - God inserted Himself & took the once enslaved & set them free!
- God is seated securely on His throne in Heaven
 - Everything in Heaven & on earth should exult & glorify the God of ALL gods, Who's above ALL in Heaven
