

Sermon Title: **“X MARKS THE SPOT”**

Matthew 6:16-18

- Knowledge = \_\_\_\_\_; Being able to spout information; knowing \_\_\_\_\_ about a particular topic
- Wisdom = What \_\_\_\_\_ with that knowledge; it's implementation; wisdom is \_\_\_\_\_ knowledge
- The heart (in the Jewish mind) is the \_\_\_\_\_ of the body (where the \_\_\_\_\_ goes, so does the rest of the \_\_\_\_\_)
- Treasure = Treasury; a \_\_\_\_\_ where incredible wealth is kept; a large \_\_\_\_\_ deposited in a reserve
  - If we are not careful, we can have the wrong \_\_\_\_\_; we can pursue “\_\_\_\_\_” that don't last
- Life is full of \_\_\_\_\_; what we choose is critically important
  - What we \_\_\_\_\_ reveals what we \_\_\_\_\_
- Store Up = (it's a \_\_\_\_\_) to be continually, ever-evaluating; it's an \_\_\_\_\_, which has an ongoing quality to it
- Followers of Christ are to \_\_\_\_\_ in heaven, which are \_\_\_\_\_, which will never dissipate or disappear
- There's a \_\_\_\_\_ promised in heavenly treasure. It won't rust, get destroyed, and \_\_\_\_\_ is able to \_\_\_\_\_ it from us
- There's a \_\_\_\_\_ connection between what we \_\_\_\_\_ and what we love and ultimately \_\_\_\_\_ after
  - Truth is we get so \_\_\_\_\_ that we sometimes forget the fantastic \_\_\_\_\_ that awaits us
  - Will we \_\_\_\_\_ the desire of our hearts and \_\_\_\_\_ loving God above ALL else?
