

Judges:
Coulda
Shoulda
But Didn't

Judges 1:11-2:5

YOU HAVE NOT
OBEYED ME

Judges 1:11-15

“Kiriath-sepher” = the city of

Books (the location where
learning took place)

Judges 1:16-20

Exodus 18:27

“The city of palms” =
refers to the area where the
city of Jericho previously
existed before Joshua led
Israel to conquer it

Judah could NOT drive out
the inhabitanace of the
valley because they had

iron chariots

Job 42:1-6

Quote (see note sheet)

Deuteronomy 1:34-36

Once in Hebron, Caleb had
to drive out (& he did) the 3
sons of Anak, who were large
men & fierce warriors

Caleb was an **old** man, yet
in God's strength he defeated
these 3 mighty giants.

Compare that to the **lack**
of **trust** Judah displayed

Judges 1:21

Judges 1:22-26

“The house of Joseph” =
refers to the combined tribes
of **Manasseh & Ephraim**
(cf. Joshua 17:17)

The location of **Bethel** is interesting. It apparently sat .
on the **border** of the territory
given to Ephraim & the
territory given to Benjamin

We again DON'T see them
driving out ALL of the
inhabitants, a nameless
man is allowed to **stay**
(& he built the city of Luz)

Judges 1:27-28

Judges 1:29

Judges 1:30

Judges 1:31-32

Judges 1:33

Judges 1:34-36

Judges 2:1-5

SO WHAT?

9 of the 12 tribes are mentioned (minus – Gad, Issachar, & Reuben)

Each tribe is connected
to **Failure** to completely
drive out the Canaanites
(which was God's
clear command)
