PASSING THE TORCH

A Study in First Timothy

1 Timothy 5:22

How do we

“Keep ourselves
FREE from Sin?”

1 Timothy 5:17-22

**DEEDS ARE QUITE
EVIDENT**

1 Timothy 5:23

Timothy was probably
abstaining from drinking
alcohol for the purpose of
setting a **good example**

Timothy getting frequently
sick was probably
somehow connected
to drinking the **water**

“Use a little wine” = meant to
minge a little wine with water
(common method
of drinking wine
in the East at this time)

Here's the point of Paul **instructing**

Timothy to drink a little wine

1. It was for **Medical Purposes**

(to help Timothy physically)

Here's the point of Paul instructing Timothy to drink a little wine

2. It DOESN'T permit **indulging** in **wine**

(being drunk is still a sin)

1 Timothy 5:24-25

“Quite Evident” = literally
means “**before the eyes**”

What about those who seem to
be **getting away** with sin?

There's great **peace** in the knowledge
that **NOTHING** is hidden or
concealed from **God**
(God knows & sees ALL)

The ONLY **hope** anyone
has is found in
Jesus Christ

Sin either visibly seen or hidden
is **ONLY forgiven** & wiped clean
through a personal relationship
with **Jesus Christ**

Hebrews 12:1-2

Why was **enduring** the
cross “the **joy** set before
Him?”

Answer = Jesus KNEW what
His **sufferings** on the cross
offered each & every one
of us & He **willingly** laid
His life down for us

SO WHAT?
