# RUNNING WELL FINISHING WELL

A STUDY IN SECOND TIMOTHY

---

Romans 1:7-15

II Timothy 1:15-18

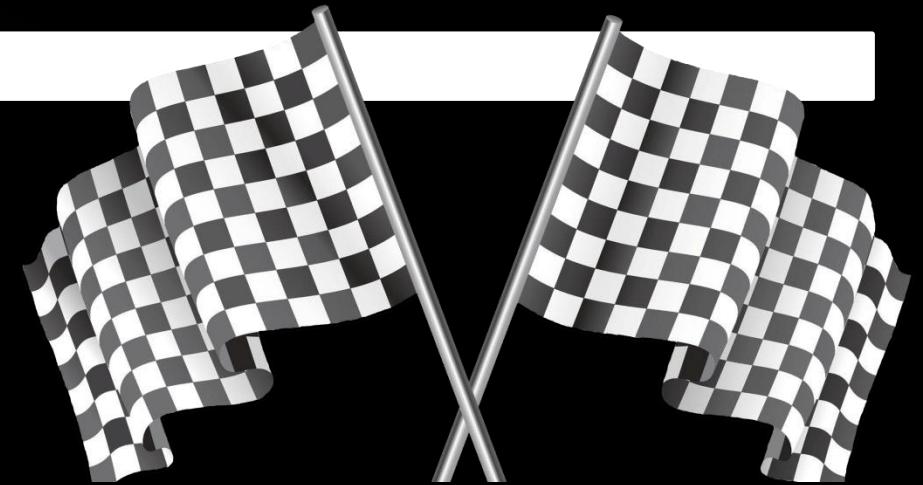

---

**YOU ARE  
AWARE**

---

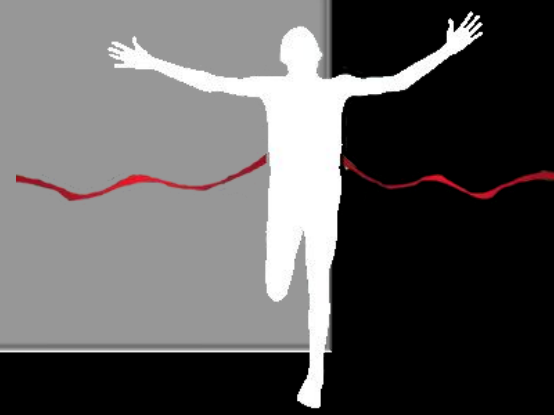

Is there something in your  
own life (you're aware of)  
that's problematic?  
(something in your life that you've  
NOT allowed God access?)

# II Timothy 1:15

After spending so much time  
**investing** in others & **sharing**  
the Gospel ... Paul was  
basically ALONE in prison

The message Paul proclaimed  
NEVER **changed** & Paul's  
lifestyle visibly displayed  
Paul's **commitment** &  
**devotion** to God

Reminds me of what transpired  
**after Jesus** was taken prisoner  
Those that were **close** abandoned  
Jesus (for fear of **persecution** – if  
you were even **associated** with a  
criminal, you could be **guilty**)

II Timothy 1:16-18

“Onesiphorus” = bringing **profit**  
or **useful**

Paul being in prison DIDN'T stop  
Onesiphorus from providing **support**,  
comfort, & **help** to Paul

There was a **danger** associated  
with simply **seeking** out Paul,  
but this guy did it multiple  
times to be a care  
& **support** to Paul

Let's make it personal –  
If history was to describe  
us in one sentence, what  
would it say about us?

When we stand before the  
Lord, we pray God will  
**withhold** what we **deserve**  
(punishment) because of  
**faith** in Jesus Christ

NOT only that, we pray we will find **grace** – because of faith in Jesus Christ – God will **give** us what we DON'T **deserve** (an eternity in Heaven with Him)

SO WHAT?
